1. Please upload the updated index.html file with all the three tasks completed. A reviewer should easily be able to download your file and substitute it into their own web project and see it working correctly.
2. Also upload a screenshot of your browser window showing the completed index.html page in png or jpg format.

⬀ index.html (https://s3.amazonaws.com/coursera-uploads/peer-review/ycQnChn3EeWDtQoum3sFeQ/372154f7abd663bf93ff333c33d187f7/index.html)

The form in the navbar should use the correct form and used the correct classes: navbar-form and navbar-right.

- ⦿ 5 pts
  Yes
- ○ 0 pts
